

Your Invitation

You can support the preservation and documentation of SA Church history by becoming a member of the Uniting Church SA Historical Society.

Members are kept up to date with information about publications and resources through the Society's newsletter *Uniting History SA* which is published four times a year. Each year the Society organises *Walks and Talks* including tours to various churches and locations of interest.

Members are invited to visit the History Centre on Wednesday afternoons to ask for advice or find information about churches, agencies, former ministers, members and local communities.

The Society also provides financial assistance to authors planning to publish stories of congregations, agencies and movements of the Uniting Church and its former denominations.

The Uniting Church SA Historical Society is associated with the Uniting Church National History Society (UCNHS), a body established by the Assembly in 2016 to promote interest in and preservation of Uniting Church History. Membership of the national society is \$20 per year, and you are invited to join as you join/renew membership in UC SA Historical Society.
